<input type="checkbox"/> Ethernet installation cable		
<input type="checkbox"/> Ethernet patch cable		
<input type="checkbox"/> HDMI cable		

### Active products

Product	Product type / ID (original)	Product type / ID (white label)*
<input type="checkbox"/> Amplifier 862 MHz		
<input type="checkbox"/> Amplifier 1218/65 MHz		

\* In case of white label products, fill in both the original and white label product type / ID information.

**Required input to be provided by applicant to start up the process:**

- ➔ This completed request form
- ➔ Chamber of Commerce extract (not older than 1 year)
- ➔ Product specification sheet
- ➔ Samples of the product (4 samples for an active product / 10 samples for a passive product)

**Application form + product samples + needs to be send to:**

Keurmerkinstituut  
T.a.v. Kabel Keur / Ziggo geschikt  
Postbus 45  
2700 AA Zoetermeer

**Important information for the applicant**

If you want to request certification for multiple products, please only use one form. Only when contact information and/or production location and/or brand differ for the individual product, then use multiple forms. We will treat all forms then as one request.

Once the request form and all other required input have been received, you receive a quotation for the certification and application costs of € 350, - (ex VAT) will be charged. These costs will be deducted in case you agree with the quotation and request to continue with the certification.

In case multiple forms are required within one request (e.g. when different products have different production locations), t

Applicant declares to agree with the testing of his products according to Kabel Keur / Ziggo geschikt quality mark for active and passive in-house materials PvE 5.0 , the [terms & conditions of Keurmerkinstituut B.V.](#) and the regulations for using the Kabel Keur / Ziggo geschikt quality mark.

The undersigned declares that the data entered on this form (including the appendix), together with the accompanying specifications, give a correct and complete picture of the product (s) offered for inspection, in the light of the criteria for the quality mark.
